“Enjoy some wonderful wedding tipples in the comfort of your own home!”

We are delighted to offer a takeaway collection service of a wide range of our popular Dodford Manor Cellar drinks.

The Dodford Manor Cellar was carefully (and enjoyably!) created in answer to wedding couples who wanted the venue to provide wedding day drinks (and all the responsibility of calculating quantities of wedding day drinks, organizing delivery of stock and arranging invoicing and payments). As a venue couples have always been free to Bring Their Own Day-time Drinks' and/or order from our Cellar or even select a Drinks Package! The carefully selected wines in our Dodford Manor Cellar are highly competitively priced!

Due to popular demand and as a glimmer of cheer in these uncertain times we are providing an abridged Dodford Manor Cellar Takeaway Collection Service with the drinks listed below.

Please order your drinks takeaway collection via email at [enquiries@dodfordmanor-venue.co.uk](mailto:enquiries@dodfordmanor-venue.co.uk), we will then arrange a suitable time for collection and payment with you.

## The Dodford Manor Cellar – A bit more detail!

“A great accompaniment to your wedding celebration!”

The Cellar is available for your convenience as an alternative to the 'Bring Your Own Day-time Drinks' option, or used in conjunction with drinks you are providing.

The carefully selected wines, fizz & alternative drinks are extremely competitively priced & have the added advantage that you do not have to rush about choosing, organizing & delivering the drinks yourselves. The wines can be sampled at a Tasting Day (or private wine tasting packs ordered and picked up from Dodford Manor for your own fun family 'tasting' event) and can then be ordered for your wedding at your convenience.

Whilst we also provide the wines on a sale or return basis, we find that the married couples seem keen not to return anything! During the next day's collection of wedding presents and gifts married couples seem to also take any remaining wines with them as a memento of their big day to be enjoyed in future!!

All prices **INCLUDE VAT**. Products subject to availability, prices subject to change (see below), please check at time of ordering. Prices are valid for advance bulk purchases by bride/groom only for consumption during your reception drinks and meal on a sale or return basis, payable in advance.

Our prices include all service of '**Bring Your Own Drinks**', '**Discounted Cellar Selection**' or '**Discounted Cellar Packages**'. Service includes provision of all the glasses, ice & staff required for your drink selection.

To get your celebrations started with a swing, you can't beat a glass of fizz. For your reception drinks, you will need to allow around 2-3 glasses per person. So, for 100 guests you will need to allow  $100 \times 2.5 = 250$  flutes, which means you will need 42 bottles (6 flutes per bottle).

Wine for the meal - As a general rule, allow half a bottle per person and then add an additional margin for safety. Preferences for red & white wines are usually evenly split, apart from in the summer when white wine may be in more demand. Also consider rose wine as a popular and refreshing option!

It's always difficult to know how much alcohol you'll need for your wedding, so to put your mind at ease 'The Cellar Selection' is all sale or return - don't panic, you won't be stuck with any excess. We also offer fixed 'Dodford Cellar Drink Packages' if required (these are priced per head and not offered as sale or return).

Please note that the 'Bring Your Own Day-time Drinks' option or use of 'Discounted Cellar Selection' comes to an end after the meal, when the pay bar opens and all unused bottles are returned to your secure storage area. The 'Bring Your Own Day-time Drinks' offer, is solely an arrangement between the Bride & Groom and Dodford Manor, with the handover of your wedding drinks to Dodford Manor, who then serve onward to Guests in a safe & controlled way. *Guests may not bring their own drinks to Dodford Manor.*

Don't forget that by using 'The Cellar Selection' you do not need to source the drinks, deliver the drinks or collect any leftovers (though it seems recently married couples like to take any remaining unused wines with them!).

**Please Note:** **Prices are valid from 29 Nov 2020**

*Wines marked \*\* available by the full bottle in the evening bar at pub prices (not at these discounted prices).*
