MANOR**

Yours and yours alone, Dodford Manor is there for you to enjoy for the most momentous day of your lives! Situated in the ancient grounds of Dodford Manor, amidst miles of rolling countryside, the rustic 1680's threshing barn (Mortain Barn), 1790's Dairy Barn and contemporary glass walled Oak Barn, all connected with nature and make for an amazing place to host your wedding day.

Enjoy your wedding day journey as it flows seamlessly from preparations and excitement in the Grain Store (the Bride's Beauty Booth), to your marriage in the historic Mortain Barn.

Surprise your guests as they are invited into the previously hidden Oak Barn; where you can 'Feast and Fizz' your way through the afternoon in the naturally lit, visually stunning glass walled Oak Barn.

Watch as the light fades, the views disappear, and the Oak Barn transforms into a warm atmospheric evening party setting for you to dance the night away.

the RUN UP

From the moment you book your wedding to when we say our goodbye's, you truly are in safe hands here at Dodford Manor. Our down to earth team have not only won heaps of awards, but deeply care about your wedding, have a wealth of useful knowledge & experience and want to make sure you have the best wedding day.

We understand the little things are important, like quick replies when you have a question, food tasting days and support throughout your wedding planning; culminating in a wedding day planning meeting, where we take on all the detail, how you want us to set up the venue, timings and plenty more!

the MORNING PREPARATIONS

Your Bridal Party can enjoy some well-deserved pampering and pre-wedding preparations in the Grain Store 'Beauty Booth' (located in the Mortain Barn). Enjoying plenty of space to get ready, in a buzzy atmosphere and watch from the hidden arrow slit window as guests arrive and take their seats!

“

Our wedding day was just perfect! The team at Dodford Manor went above and beyond our expectations. The venue itself is amazing but all the staff make it exceptional!

- Megan & Thomas

the I DO's

Your big moment has arrived. Bathed in natural light and gentle warmth, honey coloured ironstone walls and oak beams, with chairs carefully set out and a lovely long aisle for the bride's procession; the Grade II Listed 1680's Mortain Barn provides an air of solemnity and a beautiful historic setting for your most momentous occasion.

“

Honestly the most incredible venue with the most supportive staff. This was the first venue we went to see and we fell in love immediately. It is the perfect balance of rustic barn with a modern twist.

- Kimberley & Samuel

the DRINKS RECEPTION

Let the Celebration begin! Bask in that post wedding ceremony happiness, raise a glass (or two) with your family and friends in the Inner Yard, enjoying long ranging westerly countryside views in the summer sun OR gather in the warm, rustic Mortain Barn watching the snow falling outside, through the stunning floor to ceiling glazing.

Our no daytime corkage policy means you can provide the drinks for the day, just drop it off to us the morning before and we'll take it from there.

the WEDDING BREAKFAST

Hear the impressed tones of your guests as they are ushered into the [previously hidden] stunning Oak Barn for your wedding breakfast. Imagine a beautifully crafted English oak framed barn with walls of glass revealing magnificent views over miles of countryside. What better setting for your first meal together as a married couple, surrounded by all those you hold dear. Enjoy delicious freshly cooked food by our fabulous caterers, Jenkinsons, as you wine and dine your way into the afternoon.

Wholesome three course wedding feasts start from £48.75.

“

The best day of my life. I could never pick a better place, there simply isn't one.

- Sarah & Robert

“

The most incredible venue and staff who made our wedding day perfect from start to finish. Dodford Manor was the first venue we visited and we knew straight away that this was the venue for us.

- Natalia & Joseph

the PARTY

Dance the night away in the Oak Barn.

After your sumptuous wedding breakfast feast and ritual cutting of your Wedding Cake, evening guests have arrived and all converge to join you on the dance floor for your first dance. As the light fades outside, the true beauty of the Oak frame comes alive with mellow modern lighting, giving an almost club ambience. Perfect to dance the night away!

The Oak Barn and Dairy are directly linked so all your friends and family can celebrate together; dancing and making merry or even catching up on a comfy sofa, all in the same space.

The adjoining rustic Red Brick Barn (previously a historic home to three working farm horses), now provides 2 additional double+ bedrooms (en suite).

After a sound night's sleep in their Hypnos king-sized double beds, your overnighting guests (from 18 - 22 guests) can also enjoy a continental-style breakfast buffet together the following morning!

You have the option to reserve & allocate rooms for your guests with up to 9 double rooms available; guests pay us directly for each room. B&B Room prices start from £145 for a Double Room (7) to £165 for a Deluxe Double (2).

daytime drinks **NO CORKAGE**

Dodford Manor is a 'no day time corkage' wedding venue.

We do not charge any corkage charges, nor service charges, during your wedding day; from your reception drinks, throughout your wedding breakfast and of course your toast drinks! All we require is for you to arrange delivery to us, around 10 am, one or two days before.

We will then cold store as required, then cool/heat/mix and serve out to your guests throughout the day until the end of the wedding breakfast in the Oak Barn. WOW!

Jenkinsons provide all the necessary glassware, ice (and even the fruit for your Pimms!) and staff for the service of your own drinks throughout the daytime. There is no service charge for this service. In the evening, drinks are purchased from the Dairy Barn Bar at local pub prices.

Alternatively, if you wish to leave the provision of daytime drinks for your big day to us, we are happy to offer you wholesale priced daytime drinks from The Dodford Manor Cellar on a sale or return basis. Wonderful wines start from £7.25 per bottle. We even offer Dodford Manor wedding drinks packages from £18 per guest!

For the evening festivities, the Dairy Bar (adjoining the Oak Barn) operates a full pay bar with card facilities provided by Jenkinsons and is open throughout the day and evening! The comprehensive bar offers your guests a wide range of beers and ciders, (including premium draft Camden Hells, Stella, Becks Vier, Orchard Pig & Camden Pale Ale) spirits, zero & low alcohol options and soft drinks - all at local pub prices.
